Draw your sword and bare your heart with new character traits, fresh settings, and even more ways to enjoy the *Thirsty Sword Lesbians* roleplaying game!

Live up your desires and settle old scores in a wasteland roller derby, explore the jungles of Vietnam as part of a planet-saving band of mutants, battle demons, or pick up your favorite Arthurian legend and MAKE IT GLAY! With over twenty new settings, you're sure to find just the right hook to delight and entice your table.

Crafted by an all-star team assembled from the best and brightest of the indie RPG scene, *Advanced Lovers and Lesbians* shines a spotlight on the game's universal themes of found family and deep emotional connection. Innovative new playbooks and alternate rules offer novel story arcs for your next game of *Thirsty Sword Lesbians* inside this book, you'll find:

- Ten new playbooks, including the show-stopping Nihil, the shrewd investigator, the synthtough, the popcrafter, and the family-oriented hominid.
- Seven new settings—ready your love in late Heian Japan or storm your guitar in orbit of near-future Saturn—each one full of relatable characters and dramatic plot hooks.
- Four detailed adventures: *Cathart & Sashar*, *Bouncing the Throne*, *Slamfight of the Lunar*, *Reign*, and *Through the Looking Glass* make it easy for your group to quickly pick up and play a game of *Thirsty Sword Lesbians*.
- Custom rules to support settings with unique elements.
- An appendix of random tables full of inspiration for characters, settings, and storylines plus a set of Friend, Threat, and Plot tables tailored to each and every one of the game's 19 playbooks.
- Beautiful, full-color artwork that captures the full spectrum of characters you can play in the diverse, expansive, and unabashedly queer worlds found within *Thirsty Sword Lesbians*. Take your skills with the blade and your passion for intrigue and drama to the next level with *Advanced Lovers and Lesbians*!
