Opis

101 Healing Stories: Using Metaphors in Therapy

Producent: Wiley

101 Healing Stories: Using Metaphors in Therapy to explore the power of metaphors in the therapeutic process. Written by Michael D. Yapko, George W. Burns, and Richard Burns, this book delves into the world of narrative therapy, providing insightful stories and parables for clients to discuss and find nonthreatening solutions. Discover the wonders of metaphoric interactions and how they can help cope with various challenges.

This book is a valuable resource for therapists and counselors looking to enhance their skills and connect with clients on a deeper level. With 288 pages filled with inspirational content, it offers a unique approach to psychotherapy, focusing on the transformative power of storytelling and metaphors. Dive into the world of healing stories and explore the importance of spiritual growth and human connection in the therapeutic journey.

Explore the possibilities of metaphoric therapy and how it can enrich the therapeutic process. Gain valuable insights into the art of using metaphors to engage clients and facilitate meaningful discussions. With a focus on empowering individuals to find their own solutions, '101 Healing Stories: Using Metaphors in Therapy' is a must-read for anyone in the field of psychology and counseling.
