
Analiza Pakietów w Praktyce: Rozwiązywanie Problemów Sieciowych z Wireshark

Indeks: **849979** Producent: **No Starch Press** Kod producenta: **46887051**

Cena: **194.01 zł**

Opis

Practical Packet Analysis: Using Wireshark to Solve Real-World Network Problems

Producent: No Starch Press

- **temat**: Computer programming / software development, Datensicherheit / Netz, EDV / Kommunikation, EDV / Kommunikation / Datenfernübertragung, EDV / Theorie / Sicherheit, COMPUTERS / Networking / General, COMPUTERS / Security / General, COMPUTERS / Security / Network Security, COMPUTERS / System Administration / General, ANF: Computers and IT, COMPUTERS, COMPUTERS / Networking / General, COMPUTERS / Security / General, COMPUTERS / Security / Network Security, COMPUTERS / System Administration / General, Computer Applications, Computer network protocols., Computer networking and communications, Computer networks., Computer programming, Computer programming / software development, Computer programming / software engineering, Computer security, Computer/General, Computernetzwerke und maschinelle Kommunikation, Computerprogrammierung und Softwareentwicklung, Computersicherheit, Datenfernübertragung, Datenkommunikation, Netzwerke, Datensicherheit, Datensicherheit / Netz, Do-it-yourself, EDV, EDV / Kommunikation, EDV / Kommunikation / Datenfernübertragung, EDV / Theorie / Sicherheit, General, General Adult, HC, HC/Informatik, EDV/Datenkommunikation, Netzwerke, How-to, How-to/Do-it-yourself, Informatik, EDV, Informatik, EDV / Datenkommunikation, Netzwerke, Kommunikation, Network Security, Networking, Netz, Netzwerksicherheit, Non-Fiction, Packet switching (Data transmission)., Security, Sicherheit, System Administration, Systemadministration, Theorie, Wireshark, action, action adventure, american revolution, automation, biography, blood, boat, bugs, business, business books, cloud computing, code, coding, computer, computer books, computer networking, computer networks, computer science, cookbook, cookbooks, cooking, crime, cryptography, cyber security, cyber security books, cybersecurity, dark web, data, engineering, forensics, guide, hackers, hacking, hacking books, health, internet, languages, law, linux, logic games, makerspace, malware analysis, military history, network, networking;security;hacking;technology;computers;computer;privacy;hackers;cybersecurity;tech;network;cyber security;cloud computing;computer networking;penetration testing;computer networks;network security;computer books;cyber security books;hacking books;computer security;pf;penetration test;true crime;biography;crime;bugs;thriller;boat;blood;spiders;health;cookbooks;military history;suspense;spy;law;short stories;ocean;preacher;cookbook;action;action adventure;cooking;american revolution, ocean, octopus, penetration test, penetration testing, pf, preacher, privacy, programming, project management, psychology, reference, safety, short stories, software development, software engineering, spiders, spy, suspense, tech, technology, thriller, true crime, wireshark;networking;security;hacking;technology;computers;computer;privacy;hackers;cybersecurity;tech;network;cyber security;cloud computing;computer networking;penetration testing;computer networks;network security;computer books;cyber security books;hacking books;computer security;pf;penetration test;true crime;biography;crime;bugs;thriller;boat;blood;spiders;health;cookbooks;military history;suspense;spy;law;short stories;ocean;preacher;cookbook;action;action adventure;cooking, Computer networking and communications, Computer programming / software engineering, Computer security, Computernetzwerke und maschinelle Kommunikation, Computerprogrammierung und Softwareentwicklung, Computersicherheit, Network security, Netzwerksicherheit, Systemadministration, HC/Informatik, EDV/Datenkommunikation, Netzwerke, Informatik, EDV /

Datenkommunikation, Netzwerke

- **wiążący**: paperback
- **język**: english, english, english
- **waga przedmiotu**: 703 grams
- **strony**: 368
- **słowo kluczowe tematu**: COMPUTER, COMPUTER NETWORKS, Computer Applications, Computer/General, General Adult, How-to/Do-it-yourself, IPv6, Non-Fiction, PCAP data, United States, Wireshark, Wireshark 2.0.5, network, network; malware analysis; computers; technology; networking; security; computer; cybersecurity; hacking; hackers; cloud computing; cyber security; penetration testing; computer networking; network security; tech; computer books; computer networks; computer security; hacking books; privacy; cyber security books; dark web; penetration test; programming; engineering; business; bugs; internet; computer science; crime; linux; cryptography; forensics; project management; business books; reference; psychology; safety; guide; data; makerspace; law; logic games; coding; code; automation; octopus; languages; spy; pf; true crime; biography; thriller; boat; blood; spiders; health; cookbooks; military history; suspense; short stories; ocean; preacher; cookbook; action; action adventure; cooking; american revolution; wireshark, networking;security;hacking;technology;computers;computer;privacy;hackers;cybersecurity;tech;network;cyber security;cloud computing;computer networking;penetration testing;computer networks;network security;computer books;cyber security books;hacking books;computer security;pf;penetration test;true crime;biography;crime;bugs;thriller;boat;blood;spiders;health;cookbooks;military history;suspense;spy;law;short stories;ocean;preacher;cookbook;action;action adventure;cooking;american revolution, packet, packet analysis, problems, sniffer, troubleshooting, wireshark;networking;security;hacking;technology;computers;computer;privacy;hackers;cybersecurity;tech;network;cyber security;cloud computing;computer networking;penetration testing;computer networks;network security;computer books;cyber security books;hacking books;computer security;pf;penetration test;true crime;biography;crime;bugs;thriller;boat;blood;spiders;health;cookbooks;military history;suspense;spy;law;short stories;ocean;preacher;cookbook;action;action adventure;cooking
- **marka**: No Starch Press
- **kod unspsc**: 55101500
- **kod podmiotu**: COM043000, COM053000, COM043050, COM088000, 1636, 1636, UT, UM, UR, UT, UM, UR, UTN, UTN, UTE, DATE6350, EDVA3000, EDVA3024, EDVA7065, UM
- **grupa docelowa**: General/trade
- **numer części**: 46887051
- **kolor**: Multicolor
- **waga opakowania przedmiotu**: 0.771 kilograms
- **wydanie**: 3
- **zewnętrznie przypisany identyfikator produktu**: 1593278020, 9781593278021, 09781593278021
- **producent**: No Starch Press
- **autor**: Sanders, Chris
- **gatunek muzyczny**: COMPUTERS, Security, Network Security, COMPUTERS, Security, General, COMPUTERS, Networking, General, Network security, Computer security, Computer networking and communications
- **Data publikacji**: 2017-04-10T00:00:01Z
- **cena katalogowa uvp**: 42
- **numer wydania**: 3
- **nazwa przedmiotu**: Practical Packet Analysis: Using Wireshark to Solve Real-World Network Problems
- **data premiery**: 2017-04-10T00:00:01Z
- **data uruchomienia strony produktu**: 2016-10-26T16:02:54.047Z

Parametry

Autor	Chris Sanders

Wydawca	No Starch Press
Liczba stron	368
Waga	703g
Język	angielski
Typ oprawy	miękka
Data publikacji	2017-04-10
