Opis

The Modern World-System III: The Second Era of Great Expansion of the Capitalist World-Economy, 1730s-1840s: 03

Producent: University of California Press

The Expansion of Capitalism, 1730s-1840s: 03 is a scholarly book focusing on the second era of great expansion of the capitalist world-economy. It delves into various topics such as feudalism, slavery, colonialism, and imperialism, providing a comprehensive overview of the economic history of Western Europe.

Written by Immanuel Wallerstein and published by the University of California Press, this book is a valuable resource for those interested in history, economics, and sociology. With 390 pages, the book covers a wide range of subjects, from the fall of the Roman Empire to globalization and the development of the global economy.

This paperback edition, weighing 499 grams, is the third volume in the Modern World-System series. It offers a thought-provoking look at the early modern history of Europe and the evolution of capitalism, making it a must-read for anyone seeking to deepen their understanding of the world economy.
