

Inżynieria SoC: Projektowanie i Budowa Wysokowydajnych Systemów na Chipie

Indeks: 729153 Producent: Packt Publishing

Cena: **157.16 zł**

Opis

Architecting and Building High-Speed SoCs: Design, develop, and debug complex FPGA-based systems-on-chip

Producent: Packt Publishing

- **temat:** COMPUTERS / Hardware / General, COMPUTERS, Hardware, General, COMPUTERS / Hardware / Printers, Scanners & External Accessories, Printers, Scanners & External Accessories, TECHNOLOGY & ENGINEERING / Electronics / Circuits / Logic, TECHNOLOGY & ENGINEERING, Electronics, Circuits, Logic, COMPUTERS / Hardware / General, COMPUTERS / Hardware / Printers, Scanners & External Accessories, TECHNOLOGY & ENGINEERING / Electronics / Circuits / Logic, Computer hardware, Computerhardware, HC/Informatik, EDV/Hardware
- **wiążący:** paperback
- **język:** english, english, english
- **waga przedmiotu:** 0.74 kilograms
- **strony:** 426 pages
- **słowo kluczowe tematu:** SoCs; high speed; architecting; building; IoT; Embedded systems; Electronics; VLSI; VHDL; Design; FPGA; System-on-chip; ASIC; software; hardware; DMA engines; PCIe; interfacing; debugging; communication; security; CCIX protocol; protocols
- **kod unspsc:** 55101500
- **kod podmiotu:** UK, COM067000, COM049000, TEC008030, UK, 1638
- **grupa docelowa:** General/trade
- **Liczba przedmiotów:** 1
- **waga opakowania przedmiotu:** 0.78 kilograms
- **zewnętrznie przypisany identyfikator produktu:** 1801810990, 9781801810999, 09781801810999
- **producent:** Packt Publishing
- **autor:** Maaref, Mounir
- **gatunek muzyczny:** COMPUTERS, Hardware, General, COMPUTERS, Hardware, Printers, Scanners & External Accessories, TECHNOLOGY & ENGINEERING, Electronics, Circuits, Logic
- **Data publikacji:** 2022-12-09T00:00:00.000Z
- **nazwa przedmiotu:** Architecting and Building High-Speed SoCs: Design, develop, and debug complex FPGA-based systems-on-chip
- **data premiery:** 2022-12-09T00:00:00.000Z
- **data uruchomienia strony produktu:** 2022-06-12T00:00:01Z

Parametry

Autor	Mounir Maaref
Liczba stron	426
Język	Angielski
Wydawca	Packt Publishing
Waga	0.74 kg
