Opis

Soft minimal: a sensory approach to architecture & design

Producent: Die Gestalten Verlag

Discover the art of sensory architecture and design with Soft Minimal. This hardcover book features 288 pages of stunning photography, showcasing the work of Norm Architects and their minimalist approach to design. From the interiors of homes to public spaces and buildings, this book will inspire and delight architects, designers, and enthusiasts alike. Dive into the world of sensory design and learn how to incorporate this approach into your own projects.

In addition to the stunning imagery, Soft Minimal also provides insights into the philosophy behind Norm Architects' work, as well as interviews with the architects themselves. You'll learn how they approach design and how they prioritize sensory experiences in their projects. This is a must-read for anyone interested in minimalist design or sensory architecture.

Whether you're an architecture enthusiast or a professional architect, Soft Minimal is a must-have addition to your library. Published by Die Gestalten Verlag, this book is a beautiful glimpse into the world of sensory design and architecture that you won't want to miss.
