

Ocena Percepcyjna Dźwięku: Teoria, Metoda i Zastosowanie

Indeks: **710889** Producent: **John Wiley & Sons Inc** Kod producenta: **9780470869239**

Cena: **565.60 zł**

Opis

Perceptual Audio Evaluation: Theory, Method and Application

Producent: John Wiley & Sons Inc

- **temat:** Communications engineering / telecommunications, Electronics & communications engineering, SCIENCE / Acoustics & Sound, TECHNOLOGY & ENGINEERING / Telecommunications, Technology & Engineering/Acoustics & Sound, Technology & Engineering/Electronics - General, ANF: Technology, Acoustics & Sound, Communications engineering, Communications engineering / telecommunications, Electronics & communications engineering, Electronics - General, Graduate, High-fidelity sound systems - Testing, High-fidelity sound systems;Testing., Math, Non-Fiction, SCI, SCI/TECH, SCIENCE, SCIENCE / Acoustics & Sound, Scholarly, Scholarly/Graduate, Science/Math, Sound - Measurement, Sound - Recording and reproducing, Sound;Measurement., Sound;Recording and reproducing., TECH, TECHNOLOGY & ENGINEERING, TECHNOLOGY & ENGINEERING / Telecommunications, Technology & Engineering/Acoustics & Sound, Technology & Engineering/Electronics - General, Telecommunications, develop; audio; innovations; performance; increasing; technical; new; growing number; bitrate; auditory; properties; system; specific; low; nonlinear; highly; traditional physical measures; quality; distortion; cannot; frequency; evaluations
- **wiążący:** hardcover
- **język:** english, english, english
- **waga przedmiotu:** 1020.6 grams
- **strony:** 442
- **słowo kluczowe tematu:** develop; audio; innovations; performance; increasing; technical; new; growing number; bitrate; auditory; properties; system; specific; low; nonlinear; highly; traditional physical measures; quality; distortion; cannot; frequency; evaluations
- **marka:** Wiley
- **kod unspsc:** 55101500
- **kod podmiotu:** SCI001000, TEC041000, TEC001000, TEC008000, TJK, TJ
- **grupa docelowa:** Professional and scholarly
- **Liczba przedmiotów:** 1
- **numer części:** 9780470869239
- **waga opakowania przedmiotu:** 997.92 grams
- **zewnętrznie przypisany identyfikator produktu:** 0470869232, 9780470869239, 09780470869239
- **producent:** John Wiley & Sons Inc
- **autor:** Bech, Søren, Zacharov, Nick
- **gatunek muzyczny:** SCIENCE, Acoustics & Sound, TECHNOLOGY & ENGINEERING, Telecommunications
- **Data publikacji:** 2006-07-11T00:00:01Z
- **cena katalogowa uvp:** 139
- **numer wydania:** 1
- **nazwa przedmiotu:** Perceptual Audio Evaluation: Theory, Method and Application
- **data premiery:** 2006-07-11T00:00:01Z
- **data uruchomienia strony produktu:** 2006-11-22T19:19:23-00:00

Parametry

Autorzy	Søren Bech, Nick Zacharov
----------------	---------------------------

Wydawnictwo	John Wiley & Sons Inc
--------------------	-----------------------

Język	Angielski
--------------	-----------

Liczba stron	442
---------------------	-----

Wydanie	1
----------------	---

Data publikacji	11 lipca 2006
