

Praktyczny Poradnik Inżyniera Budownictwa: Eurokody, Wydanie Trzecie

Indeks: 751971 Producent: Taylor & Francis Ltd

Cena: **207.74 zł**

Opis

Structural Engineer's Pocket Book: Eurocodes: Eurocodes, Third Edition

Producent: Taylor & Francis Ltd

- **temat:** Architecture/Professional Practice, TECHNOLOGY & ENGINEERING / Civil / General, TECHNOLOGY & ENGINEERING / Structural, Technology & Engineering/Civil - General, Technology & Engineering/Construction - General, Technology & Engineering/Structural, Bau- und Umwelttechnik, Konstruktiver Ingenieurbau, Baustatik, Civil engineering, surveying and building, Environmental science, engineering and technology, Konstruktiver Ingenieurbau, Baustatik, Civil engineering, surveying & building, Environmental science, engineering & technology, Structural engineering, Bau- und Umwelttechnik, Building;Europe;Handbooks, manuals, etc., Building;Handbooks, manuals, etc., Structural engineering;Handbooks, manuals, etc.
- **wiązący:** paperback
- **język:** english, english, english
- **waga przedmiotu:** 533 grams
- **strony:** 464
- **słowo kluczowe tematu:** Basic and Shortcut Tools for Structural Analysis; Design Data; Reinforced Concrete; Statutory Authorities and Permissions; Timber and Plywood; Composite Steel; Eurocodes; Structural Analysis; Structural Steel; Timber; Plywood; Masonry; Geotechnics; Structural Glass; Sustainability; Fu LI; Si Te; UK Building Regulation; Soil Guideline Values; Moisture Content; CFA Pile; BS En; Cm4 Cm4; UK Construction Industry; Standard UK; Lawful Development Certificate; Party Fence Wall; Quantity Surveyor; Fork Heads; Coarse RCA, Handbook, Non-Fiction, SCI/TECH, Scholarly/Graduate, Science/Math, Statutory Authorities and Permissions;Design Data;Basic and Shortcut Tools for Structural Analysis;Timber and Plywood;Reinforced Concrete;Structural Analysis;Eurocodes;Structural Steel;Composite Steel;Timber;Plywood;Masonry;Geotechnics;Structural Glass;Sustainability, United States
- **marka:** CRC Press
- **kod podmiotu:** TN, TQ, TNC, ARC015000, TEC009020, TEC063000, TEC009020, TEC005000, TEC063000, 26860, TN, TQ, TNC
- **grupa docelowa:** Tertiary education, Professional and scholarly
- **format:** illustrated
- **Liczba przedmiotów:** 1
- **waga opakowania przedmiotu:** 0.54 kilograms
- **wydanie:** 3 New edition
- **producent:** Taylor & Francis Ltd
- **zewnętrznie przypisany identyfikator produktu:** 9780080971216, 8601410723781, 09780080971216
- **autor:** Cobb, Fiona (Consulting Engineer, UK)
- **gatunek muzyczny:** Environmental science, engineering and technology, Civil engineering, surveying and building, Environmental science, engineering & technology, Civil engineering, surveying & building, TECHNOLOGY &

ENGINEERING, Structural, TECHNOLOGY & ENGINEERING, Civil, General

- **Data publikacji:** 2014-11-11T00:00:01Z
- **numer wydania:** 3
- **nazwa przedmiotu:** Structural Engineer's Pocket Book: Eurocodes: Eurocodes, Third Edition
- **data premiery:** 2014-11-11T00:00:01Z
- **data uruchomienia strony produktu:** 2020-11-16T18:43:17.109Z
