Opis

RHINOSHIELD SolidSuit Case Compatible with Magsafe for [iPhone 14/13] | Shock Absorbent Slim Design Protective Cover with Premium Matte Finish 3.5M / 11ft Drop Protection - Classic Black

Producent: Evolute Labs

- **△ COMPATIBILITY** - Only compatible with iPhone 14 / 13. It is recommended to pair this case with the RHINOSHIELD 3D impact Screen Protector for a more comprehensive, all-around protection against face-down falls on pointed objects or highly-uneven surfaces.
- **✓ UNPARALLELED SHOCK PROTECTION** - Surpasses military grade standards, providing impact protection of up to 11 feet / 3.5m, while being 20% thinner than other cases that offer a similar level of protection. Inner honeycomb structure greatly increases absorption of impact energy.
- **✓ DURABLE MATERIAL** - Tough yet flexible, holds shape without loosening even after repeated bending or stretching. This bumper is scratch resistant, 100% recyclable, and 100% BPA Free, making it completely safe for you and your loved ones.
- **✓ MINIMAL DESIGN** - SolidSuit's slim design follows the phone's contours closely for a snug fit, and has a premium matte finish that provides good grip without causing signal interference.
- **✓ USER FRIENDLY** - Designed with highly precise cutouts for easy access and control of all device buttons. Compatible with all official charging cables, MagSafe, and Qi wireless charging.
