

From Statistics  
to Neural Networks

Theory and Pattern Recognition Applications

Edited by  
Vladimir Cherkassky Jerome H. Friedman Harry Wechsler

NATO ASI Series

Series F: Computer and Systems Sciences, Vol. 136

# Statystyka i Sieci Neuronowe: Teoria oraz Zastosowania w Rozpoznawaniu Wzorców

Indeks: **713130** Producent: **Springer** Kod producenta: **biography**

Cena: **453.37 zł**

## Opis

From Statistics to Neural Networks: Theory and Pattern Recognition Applications: 136

Producent: Springer

## Parametry

|                  |                     |
|------------------|---------------------|
| <b>Wydawca</b>   | Springer            |
| <b>Rodzaj</b>    | Książka             |
| <b>Kategoria</b> | Nauka i technologia |
