

Tematyka Mechaniki Statystycznej (Wydanie Drugie) (Podręczniki Zaawansowane z Fizyki)

Indeks: 709106 Producent: WSPC (Europe)

Cena: **291.62 zł**

Opis

Topics In Statistical Mechanics (second Edition) (Advanced Textbooks In Physics, Band 0)

Producent: WSPC (EUROPE)

- **temat:** Statistical physics, SCIENCE / Chemistry / Physical & Theoretical, SCIENCE / Mechanics / General, Science / Physics / Mathematical & Computational, Science/Chemistry - Physical & Theoretical, Science/Mechanics - General, Science/Physics - General, Science/Physics - Mathematical & Computational, ANF: Science, Chemistry, Chemistry - Physical & Theoretical, General, HC, HC/Physik, Astronomie/Sonstiges, Mathematische Physik, Mechanisms, Mechanics - General, Physical & Theoretical, Physics, Physics - General, Physics - Mathematical & Computational, Physik, Astronomie, SCIENCE / Chemistry / Physical & Theoretical, SCIENCE / Mechanics / General, SCIENCE / Physics / Mathematical & Computational, Science, Science/Chemistry - Physical & Theoretical, Science/Mechanics - General, Science/Physics - General, Science/Physics - Mathematical & Computational, Sonstiges, Statistical Mechanics; Thermodynamics; Phase Transitions; Irreversibility; Kinetic Theory; Interactions; Dissipation; Fluctuations, Statistical mechanics, Statistical physics, statistical mechanics; thermodynamics; Phase transitions, Mathematische Physik, HC/Physik, Astronomie/Sonstiges
- **wiązący:** paperback
- **język:** english, english, english
- **waga przedmiotu:** 658 grams
- **strony:** 450
- **słowo kluczowe tematu:** Irreversibility, Phase Transitions, Statistical Mechanics, Statistical Mechanics; Thermodynamics; Phase Transitions; Irreversibility; Kinetic Theory; Interactions; Dissipation; Fluctuations, Thermodynamics, statistical mechanics; thermodynamics; Phase transitions
- **kod unspsc:** 55101500
- **kod podmiotu:** SCI013050, SCI041000, SCI040000, SCI013050, SCI041000, SCI055000, SCI040000, 1649, PHU, PHS
- **grupa docelowa:** General/trade
- **waga opakowania przedmiotu:** 1.66 pounds
- **wydanie:** Second
- **zewnętrznie przypisany identyfikator produktu:** 1786349906, 9781786349903, 09781786349903
- **producent:** WSPC (EUROPE)
- **tytuł serii:** Advanced Textbooks In Physics
- **autor:** Cowan, Brian
- **gatunek muzyczny:** HC, Physik, Astronomie, Sonstiges, Mathematische Physik
- **Data publikacji:** 2021-07-26T00:00:01Z
- **numer wydania:** 2
- **nazwa przedmiotu:** Topics In Statistical Mechanics (second Edition) (Advanced Textbooks In Physics, Band 0)
- **data premiery:** 2021-07-26T00:00:01Z

- data uruchomienia strony produktu: 2020-11-06T04:44:56.465Z

Parametry

Autor	Brian Cowan
Wydawca	WSPC (EUROPE)
Liczba stron	450
Typ okładki	miękka
