## Opis

### Geometric Transformations

Producent: Springer

- **temat:** Geometry, Groups & group theory, Teaching of a specific subject, Mathematics, MATHEMATICS / Geometry / General, MATHEMATICS, General, MATHEMATICS / Algebra / Abstract, Algebra, Abstract, EDUCATION / Teaching / Subjects / Mathematics, EDUCATION, Teaching, Subjects, Group Theory and Generalizations, Mathematics Education, HC/Mathematik/Geometrie, HC, Mathematik, Geometrie, HC/Mathematik/Arithmetik, Algebra, Arithmetik, Algebra, HC/Pädagogik/Schulpädagogik, Didaktik, Methodik, Pädagogik, Schulpädagogik, Didaktik, Methodik, geometry;transformations;Euclidean geometry;transformation geometry;IMO;mathematical olympiad;elementary geometry;isometries;homothety, Groups and group theory, EDUCATION / Teaching / Subjects / Mathematics, EDUCATION / Teaching Methods & Materials / Mathematics, Education/Teaching - Subjects - Mathematics, MATHEMATICS / Algebra / Abstract, MATHEMATICS / Geometry / General, Mathematics/Algebra - Abstract, Mathematics/Geometry - General, Geometry, Groups & group theory, Mathematics, Teaching of a specific subject, Fachspezifischer Unterricht, Geometrie, Groups and group theory, Gruppen und Gruppentheorie, Mathematik, HC/Mathematik/Arithmetik, Algebra, HC/Mathematik/Geometrie, HC/Pädagogik/Schulpädagogik, Didaktik, Methodik, Hardcover, Softcover / Mathematik/Geometrie
- **wiążący:** hardcover
- **język:** english, english, english
- **waga przedmiotu:** 1022 grams
- **strony:** 591
- **słowo kluczowe tematu:** Geometry; Euclidean Geometry; transformation geometry; IMO; Mathematical Olympiad; elementary geometry; isometries; homothety, geometry; transformations; Euclidean geometry; transformation geometry; IMO; mathematical olympiad; elementary geometry; isometries; homothety, geometry;transformations;Euclidean geometry;transformation geometry;IMO;mathematical olympiad;elementary geometry;isometries;homothety
- **kod unspsc:** 55101500
- **kod podmiotu:** JNU, PBM, PBG, PBG, PB, EDU029010, EDU029010, EDU029010, MAT002010, MAT012000, MAT002010, MAT012000, PBM, PBG, PB, JNU, 1623, 1624, 1574, 1624
- **grupa docelowa:** General/trade
- **Liczba przedmiotów:** 1
- **numer części:** 9783030891169
- **kolor:** Yellow
- **waga opakowania przedmiotu:** 0.965 kilograms
- **wydanie:** 1
- **zewnętrznie przypisany identyfikator produktu:** 303089116X, 9783030891169, 09783030891169
- **producent:** Springer
- **tytuł serii:** Problem Books in Mathematics
- **autor:** Gelca, Răzvan, Onișor, Ionuț, Shine, Carlos Yuzo
- **gatunek muzyczny:** Geometry, Groups & group theory, Teaching of a specific subject, Mathematics, MATHEMATICS, Geometry, General, MATHEMATICS, Algebra, Abstract, EDUCATION, Teaching, Subjects, Mathematics, HC,

Mathematik, Geometrie, HC, Mathematik, Arithmetik, Algebra, HC, Pädagogik, Schulpädagogik, Didaktik, Methodik, Geometry, Groups and group theory, Teaching of a specific subject, Mathematics

- **Data publikacji:** 2022-02-17T00:00:01Z
- **numer wydania:** 1
- **nazwa przedmiotu:** Geometric Transformations
- **data premiery:** 2022-02-17T00:00:01Z
- **data uruchomienia strony produktu:** 2021-09-08T02:32:54.144Z
