Opis

WUDLEP Platzsparender Stabiler Wandfahrradständer, Fahrradaufhänger für den Innenbereich, Drehbare, Organisationslösung für Haus und Garage, 4 Stück

Producent: WUDLEP

- **【ORGANIZED BIKE STORAGE】** Transform your space with our Wall Mount Swivel Bike Holder, designed to accommodate road bikes, mountain bikes, and kids' bikes. Keep your garage or storage room tidy and organized, with bikes easily accessible for your next ride.
- **【SPACE-SAVING DESIGN】** Our innovative swivel feature allows you to store your bike flat against the wall in either direction, making it ideal for tight spaces. Perfect for compact garages or limited storage areas, it optimizes your space while keeping your bikes secure and out of the way.
- **【HEAVY-DUTY CONSTRUCTION】** Crafted from solid alloy steel, this bike wall mount supports up to 30 kg (66 lbs) per holder. The durable rubber coating ensures that your bike's wheels are securely held in place, providing a safe and reliable storage solution for your valuable bikes.
- **【EASY INSTALLATION】** Minimal assembly required! Each package includes a swivel bike hook and premium wall-mounting hardware, ensuring secure attachment to wall studs for maximum strength and stability. Enjoy a hassle-free setup and reliable bike storage in no time.
- **【150° SWIVEL DESIGN】** Featuring a versatile 150° adjustable swivel, this bike wall mount allows you to store your bike at any angle—center, left, or right. Simply hook the front wheel, stabilize the rear wheel, and rotate the holder to your desired position. This flexible design accommodates various storage configurations and personal preferences with ease.
