

Wzory Projektowania API: Ułatwienie Integracji za pomocą Rozluźnionych Wymian Wiadomości

Indeks: 716178 Producent: Addison-Wesley Professional

Cena: 196.70 zł

Opis

Patterns for API Design: Simplifying Integration with Loosely Coupled Message Exchanges

Producent: Addison-Wesley Professional

Patterns for API Design: Simplifying Integration with Loosely Coupled Message Exchanges

Producent: Addison-Wesley Professional

temat: COMPUTERS / Internet / Web Programming, COMPUTERS / Software Development & Engineering / General, COMPUTERS / Software Development & Engineering / Systems Analysis & Design, Computers/Internet - Web Programming, Computers/Software Development & Engineering - Systems Analysis & Design, Computers/Software Development & Engineering - Systems Analysis & Design, Computers, Software Development & Engineering - Systems Analysis & Design, Computers/Internet - Web Programming, Internet - Web Programming, Software Engineering, Software Engineering, Systems analysis & design, Web programming, Computer programming / software engineering, Systems analysis and design
wiązący: paperback
język: english, english, english
waga przedmiotu: 900 grams
strony: 544
słowo kluczowe tematu: Computers/Software Development & Engineering - Systems Analysis & Design
kod podmiotu: UM, UYD, COM060160, COM051230, COM051240, COM060160, COM051240, UMZ, UYD, UMW
grupa docelowa: General/trade
Liczba przedmiotów: 1
waga opakowania przedmiotu: 0.914 kilograms
producent: Addison-Wesley Professional
tytuł serii: Addison-Wesley Signature Series (Vernon)
zewnętrznie przypisany identyfikator produktu: 9780137670109, 09780137670109
autor: Zimmermann, Olaf, Stocker, Mirko, Lubke, Daniel, Zdun, Uwe, Pautasso, Cesare
gatunek muzyczny: Computers, Software Development & Engineering - Systems Analysis & Design, Computers, Internet - Web Programming, Software Engineering
Data publikacji: 2022-11-18T00:00:01Z
numer wydania: 1
nazwa przedmiotu: Patterns for API Design: Simplifying Integration with Loosely Coupled Message Exchanges
data premiery: 2022-11-18T00:00:01Z
data uruchomienia strony produktu: 2022-06-28T00:00:01Z

- **temat:** COMPUTERS / Internet / Web Programming, COMPUTERS / Software Development & Engineering / General, COMPUTERS / Software Development & Engineering / Systems Analysis & Design, Computers/Internet - Web Programming, Computers/Software Development & Engineering - Systems Analysis & Design, Computers/Software Development & Engineering - Systems Analysis & Design, Computers, Software Development & Engineering - Systems Analysis & Design, Computers/Internet - Web Programming, Internet - Web Programming, Software Engineering, Software Engineering, Systems analysis & design, Web programming, Computer programming / software engineering, Systems analysis and design
