Opis

Understanding and Using English Grammar, SB with MyLab English - International Edition

Producent: Pearson Education (US)

English Grammar, MyLab Edition - 5th Edition is a comprehensive guide to English grammar from Pearson Education (US). This student edition comes in a paperback binding and has a weight of 780 grams. It contains 512 pages covering topics such as sentence structure, verb tenses, and punctuation. The book is suitable for both undergraduate and scholarly use, and is aimed at a general/trade audience. The 5th edition of this book was published on June 15th, 2016, making it up-to-date with current English grammar trends.

The book includes MyLab English, a powerful online platform that provides engaging activities and assessments to help students improve their grammar skills. MyLab English is customizable and can be tailored to meet the needs of each individual student or class. With MyLab English, students can practice their grammar skills and receive instant feedback, ensuring they are on track for success.

This book is a must-have for anyone looking to improve their English grammar skills. Whether you are a native English speaker or a non-native English speaker, this book will help you achieve your language goals. It is a practical and informative guide that covers all of the essential grammar topics. Order your copy of English Grammar, MyLab Edition - 5th Edition today and start mastering English grammar like a pro!
